

NORDIC
CARE

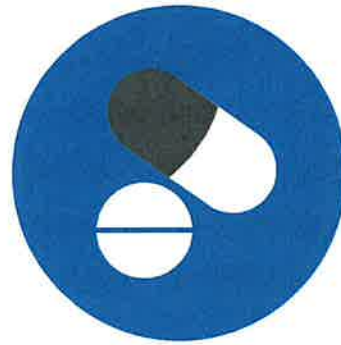

DISCOVER

Who we are?

We present a company
that specializes in home
nursing service

We offer a full range of services
in the client's language. We
have 20 years of experience
with patients

Origin

The data published by the Canary Islands Institute of Statistics clearly show that the number of people aged 65 and older once again choose the Canary Islands as their holiday destination.

Tourism to the Canary Islands from Nordic countries - people aged 65 and over

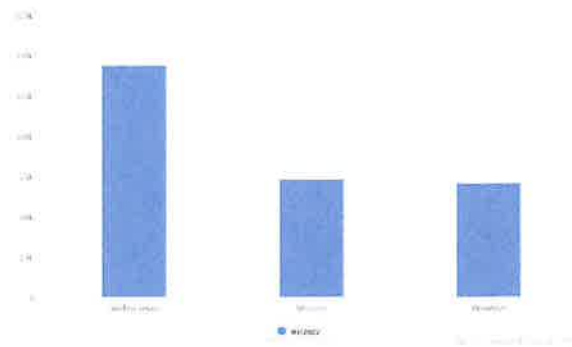

In the previous period of the pandemic, the Canary Islands was a destination most liked by older people from Nordic countries.

source: https://www3.gobiernodecanarias.org/istac/statistical-visualizer/visualizer/data.html?resourceType=dataset&agencyId=ISTAC&resourceId=E16028B_000004&version=1.5#visualization/column

01/2022

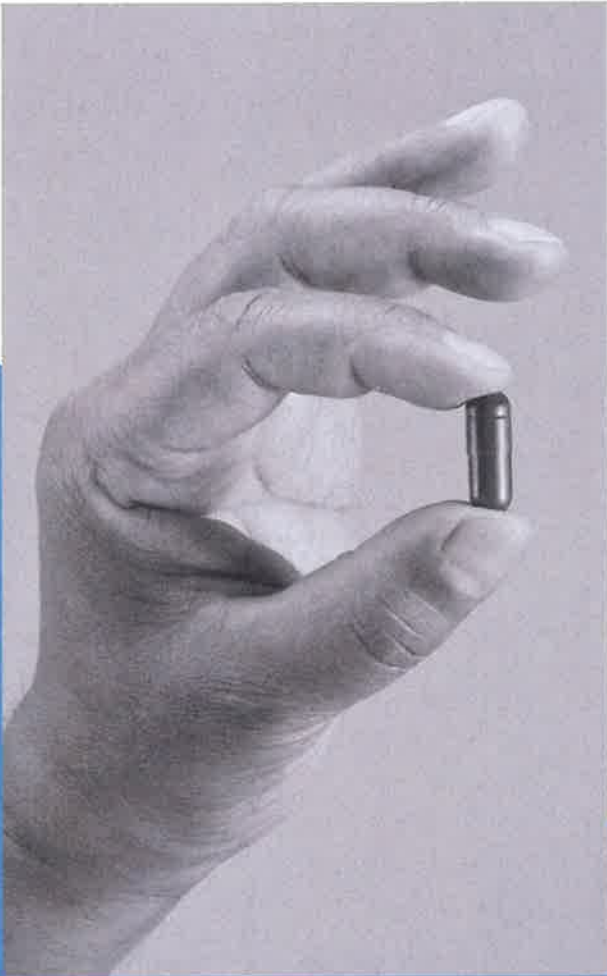

total: 24 thousand
origin: nordic countries

total: 140 thousand
tourists aged 65 and over
all countries

We are talking about a large number of tourists who do not have the home nursing service, because they do not know that this service can be provided.

Our purpose

We are committed to empowering people through lasting wellness and we believe that everyone deserves a life of purpose and abundance.

Nursing assistance service at home

- 1 Daily monitoring
- 2 Personal hygiene
- 3 Actividad física
- 4 Housework
- 5 Entertainment
- 6 Other services, to consult

We work at home/hotel the clients.

Nordic Care focuses on making the offer known to hotels. It is important to us that our services are now easily accessible. The diversification of the hotel offer supports the progress in the era of personalization of services.
