The squash court has undergone a transformation, breathing new life into the space. The newly coated floor gleams with a fresh, polished finish. This new coating not only enhances the aesthetic appeal but also improves the functionality of the court. The surface is now smoother and more resilient, providing players with better traction and reducing the risk of slips and falls.

The walls have been meticulously cleaned and repainted, giving the court a bright and inviting atmosphere.

Whether you're a seasoned player or a newcomer to the sport, this revamped court is sure to enhance your game and provide a more enjoyable environment.

## **Playa Amadores**

### **Apartment terraces**

The terrace of the five pool-view apartments have been outfitted with an aesthetic new fence that now features privacy glass panels and sturdier construction to ensure comfort and safety, and to eradicate seepage and ongoing maintenance of the former flowerbeds. The other terraces will be gradually changed by removing the existing exterior tiles and apply a protective coat of paint.

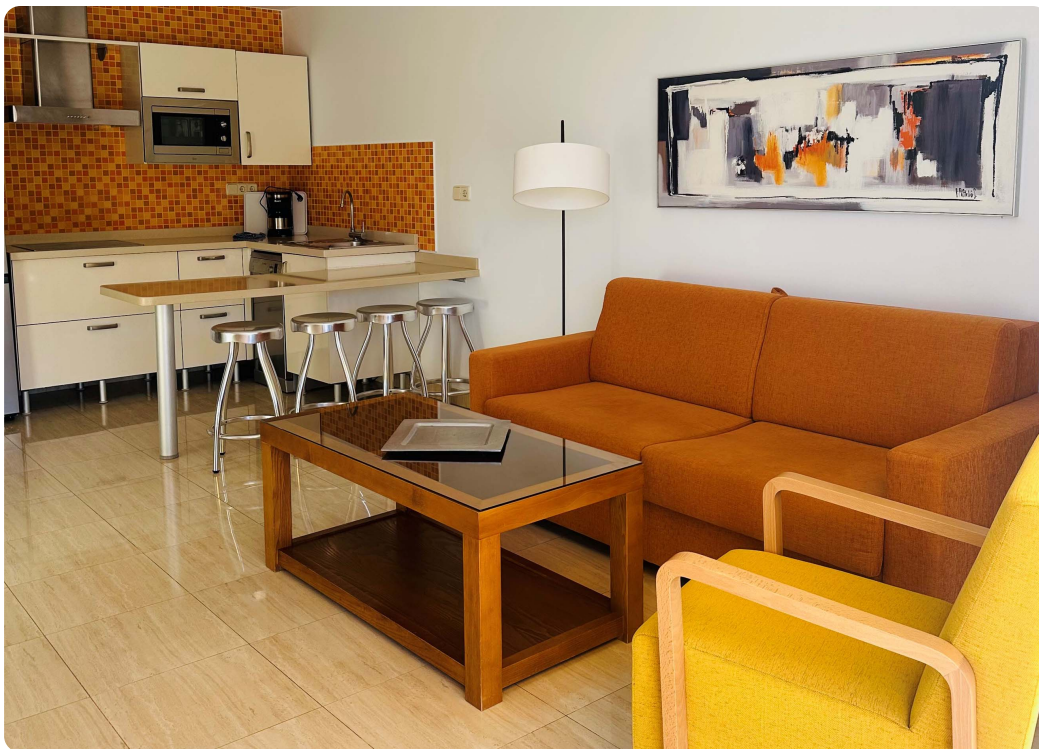

### **Apartment pools**

The gradual renovation of the apartment pools, aimed at enhancing your swimming experience and ensuring the highest standards of safety and aesthetics will include two major upgrades: applying a new interior finish to the pool's walls and bottom which will create a smooth, durable, and watertight finish and a fresh coat of paint.

### **Room towels**

It was time for an upgrade of the bathroom towels, and after researching various options, we settled on a set of luxurious white towels. The new towels are made of a thicker, more absorbent cotton material that feels incredibly soft, and will complement the decor in our guest rooms perfectly. Larger pool towels are available at the reception to preserve the quality and cleanliness of the bathroom towels.

**Sol Amadores**

### **Sofa-beds**

We are excited to announce the replacement of the sofas with proper sofa-beds. These new sofa-beds are in line with the colors and design of the apartments, ensuring a cohesive and stylish look. The sofa-beds will provide additional comfort and functionality, allowing you to easily accommodate guests and enjoy a larger living space. With high-quality materials and modern designs, these sofa-beds will enhance the overall comfort and aesthetic of your apartment.

## **Puerto Calma**

We are pleased to inform you that the washing machine and dryer in the common area of the resort have been replaced with professional-grade washing machines and tumble dryers. These new machines are coin-operated. Members will receive a number of coins free of charge.

### **Pool opening times**

Due to the gradual increase in temperatures, we have adjusted our pool opening times to ensure you can fully enjoy the warmth of the sun. The pool will now be open from 10:00 to 19:00 hrs. daily until the month of June and further increase to 20:00 hrs in July and August. We hope these extra hours enhance your experience and provide you with more opportunities to relax and soak up the sun. Outside these hours, the pool area will be closed.

The pool opening hours are strictly bound by the presence of a lifeguard, as legally required by law. Swimming is only permitted when a lifeguard is on duty. However, the top floor solarium remains accessible and can be enjoyed even when the pool is closed for swimming. Thank you for your understanding and cooperation.
